

## Suggestions for Mandatory Training

Before planning your orientation or mandatory training sessions, we recommend reviewing your current organisational and strategic plans, as well as relevant legislation, to ascertain what your specific organisational needs are.

The courses below are often utilised by Altura Learning members for orientation sessions and mandatory training. Please follow the links to view the course code, description, learning outcomes and preview.

We've also listed several courses that you may wish to develop as an organisation, using our Bridge Authoring Tool to support you.

You may have also identified additional training needs in your organisation when completing the training needs analysis. Please review our [course library](#) for a full list of courses to assist you with developing a training plan.
